This sub-committee is required to keep an inventory of all events (i.e. halls, entertainment and contact persons). This sub-committee shall strive to operate in positive cash flow without compromising our primary purpose.

VI. AREA OPERATIONAL GUIDELINES

1. ATTENDANCE

- A. Administrative Committee members shall attend all regular meetings. In the event that an Administrative Committee member cannot attend, the Chairperson shall be notified. If two (2) consecutive meetings are missed the Chairperson shall bring this matter up before this body for review.
- B. A group shall be represented by its GSR or alternate at all regular ASC meetings.
- C. A sub-committee shall be represented by its elected representative at all regular meetings.
- D. All members of NA are welcome to attend all regular ASC meetings as observers, using their representatives as a channel to communicate. The Chairperson at his/her discretion may call on a non-participant observer to speak.
- E. All groups are deemed active, other than those who have not been represented at three (3) consecutive ASC meetings. A meeting is active again upon sending a GSR to an ASC meeting.

2. VOTING PROCEDURE

- A. A quorum is required for ASC to conduct business beyond the payment of regular bills. A regular quorum shall be determined by a simple majority of active groups and shall be used for the conduct of regular business, including elections. A call for quorum may be made at any time by any ASC voting participant. At that point the Secretary performs a roll call to establish if there is still a quorum so that ASC business may continue. A special vote quorum is defined as 2/3 of the active groups being present and is necessary for specific voting situations as defined in section 2F.
- B. Voting participants on all normal business matters shall be comprised of the participants previously described as ASC members, except for the Chairperson, who only votes to create or break a tie.
- C. Voting on matters affecting our Area as a whole (i.e. votes taken back to the groups) shall be made only by the GSR's or their alternates. A tie vote shall be taken back to the groups for reconsideration. The Chairperson may vote to create a tie on a GSR-only vote. The purpose of this is to give the membership additional time to consider an issue that does not have a clear consensus.
- D. Each voting participant may only submit one (1) vote.
- E. Motions can only be made by participants of this body, as previously described, other than the Chairperson. Motions must be seconded by a GSR in attendance.
- F. All issues presented to the ASC shall be decided by a simple majority of voting participants, with the exception of Guideline approval and amendment, removal of officers and approval/amendments of the Budget. These exceptions require a 2/3rd majority vote after the establishment of a special vote quorum as defined in section 2A. Removal resulting from misappropriation or misuse of funds and assets requires a 90% majority vote as provided for in Section 6 D.

3. ELECTIONS

- A. All administrative elections shall be held in August of each year except the TAC Liaison, who shall be elected after each TAC Convention.
- B. Nominations may be open until just prior to the election and may be added to the ballot at that time.
- C. The nominee receiving the majority of votes cast wins.
- D. Elections shall be voted on in the following order:
 - 1. Chair
 - 2. Vice-Chair
 - 3. Treasurer
 - 4. Assistant Treasurer
 - 5. Secretary
 - 6. RCM 1 & 2
 - 7. H&I Chair
 - 8. PR Chair
 - 9. Activities
 - 10. Literature
- E. The Chairperson or Vice Chairperson will temporarily take any office remaining vacant following the election. If this burden is too great, the Chairperson, subject to a GSR-only vote of approval, may select interim appointees.

- F. If an office remains vacant following the election, nominations will remain open and an election held upon a nomination being accepted at any subsequent ASC meeting.

3. BUDGET

The budget year is the same as the Administrative Committee's term of office. In July, the Chair presides over the annual budget meeting. All subcommittee chairs will prepare their subcommittee proposed budgets and bring them to the budget meeting. This meeting is separate from the regularly scheduled ASC meeting. A balanced and realistic ASC budget for the following calendar year will be prepared by the Administrative Committee, adjusting subcommittee proposed budgets and general ASC expenses as necessary to achieve balance. The draft resulting from the annual budget meeting will then presented to ASC by the Treasurer at the August ASC meeting. GSR's will take the draft budget to their groups for approval or revision. Until approved, the draft budget will be an Open Forum topic where groups can discuss the proposed revisions. The final budget will be decided upon and approved by a GSR-only vote no later than the December ASC meeting.

4. AREA INVENTORY

Annually, ASC will set aside all motions and business to conduct an inventory as to how we are fulfilling our purpose. All reports will be submitted in writing at the beginning, along with meeting donations and literature orders. The remainder of the meeting will focus on the general theme of an Area Inventory.

5. AD HOC COMMITTEES

Ad Hoc committees shall be formed by the Chairperson as needed to carry out a short-term goal of the Lake County Area and shall be disbanded upon completion of that goal, and shall provide a written report to the ASC in a timely manner. Ad Hoc committee chairpersons shall be appointed by the ASC Chairperson and will not have a representative vote at ASC meetings

6. USE OF FUNDS

The Twelve Concepts of NA Service give the ASC a mandate from the NA Groups that call for total financial accountability. Therefore, ASC cannot tolerate misuse of funds (money) or assets by Trusted Servants or Subcommittees.

- A. An annual audit will be performed by an Ad Hoc committee in November of each year and will present a report of their findings at the December ASC meeting. The report to ASC will include what was done well, what needs to be done better, and if there is any evidence of misuse of NA funds or assets. The audit will

- involve examination of all documentation for income and expenses for the past year for the financial activities of ASC.
- B. Should any NA member be found to have misappropriated or misused funds or assets trusted to ASC, within or outside of an audit, the reviewing committee will make every effort to schedule a meeting with the member(s) who took the funds or assets, giving them the opportunity to present their point of view and make an amends. The Chairperson shall, immediately, upon calling the ASC meeting to order, fully disclose the incident. The member or members involved may exercise their 10th Concept right to redress at that time.
 - C. Any NA member found to have misappropriated or misused funds or assets trusted to ASC who also holds an Administrative Committee position shall either resign or may be removed from that position “with cause” by a 90% majority vote with regular quorum. Resignation or removal is effective immediately and that individual is not eligible to hold a position that handles money on ASC or its subcommittees for a period of two years.
 - D. An individual removed for misappropriation or misuse of funds or assets is expected to make full restitution of all involved funds. Should a member removed for misuse of funds or assets fail to make full restitution; said member may be subject to criminal and/or civil prosecution.

7. GSR’s and GSR ALTERNATES

The Group Service Representative (GSR) is the first line of communication between a Group and NA as a whole. They are the links that bind the Groups together in the performance of our primary purpose. It is their responsibility to keep a Group informed and to express a Group’s conscience in all matters. In other words, they are the voice of their Group.

In the absence of Group guidelines, suggested requirements for Groups to consider when selecting a GSR are:

- A. The willingness and desire to serve.
- B. A minimum of one year of continuous clean time. Addicts should be allowed to focus on their recovery first and Area level service later, when their foundation in recovery has been built and service is not a distraction.
- C. An active participation in the Group they are to serve.
- D. Knowledge of the 12 Steps and the 12 Traditions of NA.
- E. An understanding of our NA service structure and the responsibilities of a GSR.

A new GSR will receive an orientation from the Vice-Chairperson and be assigned to an experienced GSR to act as a mentor for the first two ASC meetings the new GSR attends.
