

The Lie is Dead, We Do Recover

SPONSORSHIP BEHIND THE WALLS

- Do you have at least 1 year clean?
- Are you active in recovery?
- Have you worked the 12 steps of NA?
- Are you committed and willing to help an addict that is incarcerated work the NA 12 steps through the mail?
- Are you looking for an incredible NA 12th Step experience?

Lake County Area of Narcotics Anonymous has a program where long-term inmates in the Lake County jail can work the steps through the mail with our members. Once you sign you will be assigned an inmate to work with. No jail clearance is needed to be a sponsor.

The inmates get a sponsor by writing to the main P.O. Box and the Sponsorship Behind the Walls Coordinator finds an addict who has signed up to be a sponsor from the list of available sponsors and forwards the inmates letter to him or her. The sponsor writes directly to the inmate and starts working the steps of NA with the inmate. The inmate mails his or her responses to the P.O. Box and the H&I coordinator picks the letter up and forwards it to the assigned sponsor. The inmate will never write the sponsor directly and your home address is never given out to any Inmate.
