

**What is the
Narcotics Anonymous Program?**

N.A. is a nonprofit society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean.

This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives.
